

## **AWARD TO SCHOOL CHILDREN FOR EXEMPLARY PERFORMANCE IN PUBLIC EXAMINATION**

We have been awarding meritorious students for the past two years. We have been told by the Schools that our action actually gives the students encouragement and acts as motivation for the future batches too. Seeing that we seriously want to help the students, the Schools have started contacting us to help them in their endeavors. Government School, West Mambalam, Chennai which is having students from poor community had faced difficulties in making students attend special camp before examinations. The school administration conceived an idea to provide snacks and tea / coffee to the students to encourage them to attend the classes. For two years in succession, we met the cost for this exercise. This school started excelling, and results have soared, making the School getting recognition from the Government Authorities.

We identified Government run schools and rewarded the top 3 students in 10<sup>th</sup> and 12<sup>th</sup> (+2). This was started for the academic year 2017-18. Some of our members donated liberally for the cause, and we are thankful to them.
